Applications are being accepted for the 2010 SVABO Jack Atkins Scholarship, established in the memory of John "Jack" Atkins, a long-time member and past President of the Sacramento Valley Association of Building Officials (SVABO). Jack was a firm believer in the value of education for everyone, and that learning should have no limits. In this spirit, SVABO is offering scholarships for education pursuits to members of SVABO or CALBO and their immediate family members.

Rules and Conditions of Scholarship Award:

1. Eligibility for a SVABO Jack Atkins Scholarship is limited to members of SVABO or CALBO, and their immediate family. Immediate family is defined as the member's husband, wife, or children under the age of 30.
2. The scholarship must be for attendance at a college, trade school, or other institution of learning with an academic course, certification program, trade or technical course or other education program.
3. Awards for 2010 will not exceed \$250 to any one individual in any single year and the funds must be used within the twelve-month period commencing on June 1 following the award. All award checks will be made out jointly to the grantee and the school or agency sponsoring the educational course, and may only be used for a course of study and its materials, and not for travel, lodging or food.
4. Persons awarded a scholarship must agree to the use of their name and some of the general information regarding their educational goal as stated in the required application for purposes of announcing the award and promotion of the SVABO Jack Atkins Scholarship.
5. All awards are made at the sole discretion of the SVABO Scholarship Committee. Award information will not be given over the telephone.
